

# Statement-Giver Take Home Packet

Dear Statement-Giver,

On behalf of the Liberian Truth and Reconciliation Commission and Minnesota Advocates for Human Rights, thank you for giving your statement to the TRC. Your courage in telling your story to the TRC makes you a leader in Liberia's healing process.

The TRC has been charged with the responsibility of investigating the root causes of the conflict in Liberia, amplifying historical truths and thereby undermining falsehoods that have overtime assumed the status of historical truths. The TRC is also to establish an independent and accurate record of human rights violations and abuses occasioned by the conflict and form the basis for justice and reconciliation, foster national repentance, and strike the delicate balance between accountability and forgiveness in order to heal the land and unite the people of Liberia.

In order to achieve the goals of the TRC of Liberia, the statements gathered in the United States will be compiled and sent to the TRC in Liberia for analysis and inclusion in the TRC's historical record. These statements will be the basis for a final report compiled by Minnesota Advocates for Human Rights which will include recommendations to the TRC and the government of Liberia. This report will be presented to the TRC, the Liberian community in the U.S., and other project partners. This report also will form the basis for public hearings in the United States, mirroring those held in Liberia. The TRC's final report will be made available to the Liberian people and the Liberian government in print and on the internet.

**We hope that you will continue to participate in the TRC process now that you have given your statement. Unless you have specified otherwise, you will receive notice about public hearings and other TRC events via the contact information that you provided to the statement-takers. You can also find out when TRC events are upcoming by calling Minnesota Advocates for Human Rights at 612-341-3302 or by visiting the Minnesota Advocates for Human Rights website at [www.mnadvocates.org](http://www.mnadvocates.org). Please do not hesitate to contact Minnesota Advocates for Human Rights if you have any questions. To find out what the TRC is doing in Liberia, visit [www.trcofliberia.org](http://www.trcofliberia.org).**

Thank you again for sharing your story with the Truth and Reconciliation Commission of Liberia. We are honored to have your participation.

Sincerely,

Cllr. Jerome J. Verdier, Sr.  
Chairman  
Truth & Reconciliation Commission

Robin Phillips, Esq.  
Executive Director

## About Minnesota Advocates for Human Rights

The mission of Minnesota Advocates for Human Rights is to implement international human rights standards to promote civil society and reinforce the rule of law. Minnesota Advocates was founded in 1983 by a group of Minnesota lawyers who recognized the community's unique spirit of social justice as an opportunity to promote and protect human rights here at home and worldwide. We are a non-profit, volunteer-based organization that investigates and exposes human rights violations; represents immigrants and refugees in our community who are victims of human rights abuses; trains and assists groups that protect human rights; and works through education and advocacy in Minnesota to engage the public, policy-makers and children about human rights and cultural understanding. Minnesota Advocates holds Special Consultative Status with the United Nations.
