UPPER MIDWEST IMMIGRATION LAW CONFERENCE

CHANGING OF THE GUARD:

Immigration Law under
the New Administration

May 19, 2017

8AM - 5PM

Earle Brown Conference Center

6155 Earle Brown Drive, Brooklyn Center, MN 55430

Please join us for the 2017 Upper Midwest Immigration Law Conference, the premier immigration forum in the region.

This is a year unlike any other. On January 20, 2017, U.S. immigration law, policy and practice entered a new era. Within days of his inauguration, President Trump made it clear he would push forward on many of his immigration-related campaign promises, forcing immigration practitioners and their clients into uncharted and murky waters.

We are here to navigate these waters with you by offering you creative and novel strategies, resources, in-depth analysis and networking opportunities intended to allow you to meet the challenges of the new guard head on and prepare for what lies ahead.

Jointly Sponsored by The Minnesota/Dakotas Chapter of the American Immigration Lawyers Association and The Advocates for Human Rights

LEADING EXPERTS AND ADVOCATES

Our annual conference is based on a longstanding collaboration between the Minnesota/Dakotas Chapter of the American Immigration Lawyers Association and The Advocates for Human Rights. Through these organizations, we have assembled some of this nation's premier experts and advocates in immigration law, including members of our own local chapter and national speakers from diverse practice backgrounds and geographic regions across the country.

RESPIRE IN A TIME OF UNCERTAINTY

We are pleased to once again offer a full afternoon of panels dedicated solely to the handling of asylum claims in an era that has sparked much uncertainty and fear in immigrant communities across the United States. The Advocates for Human Rights will once again lead this slate of specialized and relevant panels.

VETERANS & NEWCOMERS WELCOME

Our panelists will engage in cutting edge and in-depth discussions on immigration law and practice and how to overcome new hurdles under the new administration.

RETURN OF FUNDAMENTALS TRACK!

We have brought back the fundamentals track this year, incorporating it into a four panel session at the conference itself to facilitate more networking and learning opportunities for new and seasoned practitioners alike. For more information and registration, visit: www.ailamndak.org.
